It has never been more important for businesses to operate within a framework of strategic planning and decision making. This popular text teaches you how to make the best choices in managerial and other business roles. Please note that the product you are purchasing does not include MyAccountingLab. MyAccountingLab Join over 11 million students benefiting from Pearson MyLabs. This title can be supported by MyAccountingLab, an online homework and tutorial system designed to test and build your understanding. Would you like to use the power of MyAccountingLab to accelerate your learning? You need both an access card and a course ID to access MyAccountingLab. These are the steps you need to take: 1. Make sure that your lecturer is already using the system Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system. 2. Check whether an access card has been included with the book at a reduced cost If it has, it will be on the inside back cover of the book. 3. If you have a course ID but no access code, you can benefit from MyAccountingLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyAccountingLab (ISBN:9781292072531) 4. If your lecturer is using the MyLab and you would like to purchase the product... Go to www.myaccountinglab.com to buy access to this interactive study programme. For educator access, contact your Pearson representative. To find out who your Pearson representative is, visit www.pearsoned.co.uk/replocator

Financial Accounting for Decision Makers presents the key concepts of accounting without going into too much unnecessary technical detail. The book is aimed as 'users' of accounting information, not 'preparers' of accounts.

Accounting and Finance: An Introduction, now in its ninth edition, contains all the information you need to start your business career. With its use of practical techniques and real-world examples, this best-selling text teaches you the basics of understanding and using financial information.

This edition of 'Accounting and Finance for Non-Specialists' provides comprehensive coverage of the basic concepts and practical applications of financial accounting, management accounting and financial management.

Adopting an innovative, open-learning approach to introduce the main principles of financial management in an accessible, non-technical way, this fully updated fifth edition provides a unique focus on the practical application of financial management and its role in decision making.New to this edition: Expanded coverage of key topics such as financing the business Increased coverage of corporate governance issues Even more real-world examples to help illustrate the practical application and importance of the topics discussed Financial statements throughout based on the latest International Accounting Standards Full-colour design, packed with pedagogical features, providing an original learning experience Key features: Written in a unique, 'open learning' style Clear explanations and minimal technical jargon to aid understanding -no previous knowledge of financial management is assumed Based on a solid foundation of theory, but focusing throughout on its value for decision making Covering all the main areas of financial management in sufficient detail to provide a good grasp of the subject Numerous examples, activities and exercises throughout, allowing the reader to test his/her knowledge at frequent intervalsFully supported by a comprehensive range of student and lecturer learning resources, Financial Management for Decision Makers is ideal for undergraduates from a non-finance/accounting discipline taking an introductory module in financial management, and postgraduate/postexperience students on courses such as the ACCA Diploma in Financial Management, Diploma in Management Studies and MBA programmes. The text is also suitable for finance and accounting students as a foundation for further study,Peter Atrillis a freelance academic and author working with leading institutions in the UK, Europe and SE Asia. He has previously held posts as Head of Business and Management and Head of Accounting and Law at University of Plymouth Business School.
