On the long roads of Deveryy ride two mercenaries whose fates like hidden deep in that of their own land. But Lord Rhodry, exiled from the dragon court of Aberwyn, has yet to discover his true parentage, and his swordmaster-lover, Jill, has barely glimpsed her awesome powers. Meanwhile, the ancient sorcerer Nevyn, held back by his vows from boldly intervening in their lives, can only watch and wait as Rhodry and Jill move ever closer to danger. For as the two struggle to recover the Great Stone, the mystic jewel that guides the conscience of the kingship of Deveryy, malevolent dark masters are weaving terrifying spells against them--and displacing messengers of death. Katharine Kerr has extensively rewritten Darkspell, incorporating major changes in the text, making this her definitive edition. Here the epic saga that began with the Daggerspell continues--a tale of might and magic, lust and glory, dark danger and poignant desires that echo from Deveryy's sapphire waters to its secret mountain caverns. It's a spellbinding story destined to please fantasy lovers everywhere.

The Wish is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In The Wish, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, an imaginative boy plays a game that quickly gets out of hand . . . The Wish is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the wife who serves a dish that baffles the police; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. "The absolute master of the twist in the tale." (Observer) This story is also available as a Penguin digital audio download read by the sublime Stephen Mangan. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

A tale inspired by the affair between Sigmund Freud and his sister-in-law depicts the struggles of Minna Bernays, an educated woman uninterested in conventional women's roles who becomes fascinated with her brother-in-law's pioneering theories.

Now in its eighth edition, The Moral of the Story continues to bring understanding to difficult concepts in moral philosophy through storytelling and story analysis. From discussions on Aristotle's virtues and vices to the moral complexities of the Game of Thrones series, Rosenstand's work is lively and relatable, providing examples from contemporary film, fiction narratives, and even popular comic strips. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: http://www.mheducation.com/highered/platforms/connect/training-support-students.html

Deep within Crik Wood is a village in which every person has a unique ability called a "Talent." The Mayor can talk to insects, a girl can disappear in a cloud of smoke, and a young boy called Jack has a living shadow. One thunderous night Jack discovers the horrifying secret buried at the heart of his village. Thrown into an adventure filled with danger and discovery, Jack is faced with the question: 'What would you do if your closest friend was your greatest enemy?' For Jack that someone is his shadow.

A singing frog reluctantly babysits a duck egg in this sweetly hilarious picture book from the brilliant mind that brought you The Fantastic Flying Books of Mr. Morris Lessmore. While egg-sitting for his friend Kack Kack the duck, Bently Hopperton the frog is so bored that he cannot resist painting the egg's shell. But when the decorated egg is mistaken for an Easter egg and is egg-napped, Bently discovers that he has in fact, grown terrifically fond of that ole egg. Can he rescue the egg before it's too late? An homage to fatherhood, and the appreciation of swell art.

Clever, athletic and dignified, Yagan was already a leader among his people when pale-faced foreigners spilled uninvited upon the shores of the Swan River and started to make themselves at home - his home. Over the next four years, Yagan took a stand, and in the process forever etched his name on the story of Western Australia.
