Times and USATODAY Bestselling
Author Nicole Williams: Her heart can't
be destroyed by the same person twice. At
least that's what Clara Abbot finds herself
hoping when she runs into Boone
Cavanaugh less than an hour after
returning to Charleston. As kids, Clara and
Boone had been each other's firsts, and no
one or nothing could stand in the way of
their forever. But all kids have to grow up
sometime. The troubled son of the town
drunk winding up with the firstborn
daughter of the local royalty was a happy
ending even the most imaginative of fairy
tales couldn't make believable. Their
fable came to an end as most do:
tragically. Boone might have done the

and made a new life for herself in California. But after seven years of dodging her hometown, she's only back in Charleston for seven days to celebrate her sister's wedding. She won't let her overbearing family or her run-in with Boone rattle her—though rattling her is obviously Boone's primary objective. Boone is her past and her past is behind her, a mere speck in the rearview. So why does she feel it coming back every time she looks at him? Why does she see it every time he looks back? Just when Clara's life can't possibly get more complicated, the ground shifts, and she discovers just how far her family was willing to go to keep the wrong boy out of her life. Was it really Boone who left her? Or was it Clara who left him? The truth will be hard to face. Especially when she discovers most of her life has been built on lies.
