On February 6, 1945, Robert Brasillach was executed for treason by a French firing squad. He was a writer of some distinction—a prolific novelist and a keen literary critic. He was also a dedicated anti-Semite, an acerbic opponent of French democracy, and editor in chief of the fascist weekly *Je Suis Partout*, in whose pages he regularly printed wartime denunciations of Jews and resistance activists. Was Brasillach in fact guilty of treason? Was he condemned for his denunciations of the resistance, or singled out as a suspected homosexual? Was it right that he was executed when others, who were directly responsible for the murder of thousands, were set free? Kaplan's meticulous reconstruction of Brasillach's life and trial skirts none of these ethical subtleties: a detective story, a cautionary tale, and a meditation on the disturbing workings of justice and memory, *The Collaborator* will stand as the definitive account of Brasillach's crime and punishment. A National Book Award Finalist A National Book Critics Circle Award Finalist "A well-researched and vivid account."—John Weightman, New York

Review of Books "A gripping reconstruction of [Brasillach's] trial." "The New Yorker "Readers of this disturbing book will want to find moral touchstones of their own. They're going to need them. This is one of the few works on Nazism that forces us to experience how complex the situation really was, and answers won't come easily." "Daniel Blue, San Francisco Chronicle Book Review "The Collaborator is one of the best-written, most absorbing pieces of literary history in years." "David A. Bell, New York Times Book Review "Alice Kaplan's clear-headed study of the case of Robert Brasillach in France has a good deal of current-day relevance. . . . Kaplan's fine book . . . shows that the passage of time illuminates different understandings, and she leaves it to us to reflect on which understanding is better." Together with senior Carabinieri investigator Mario Castrolami, she unwittingly sets into motion a terrifying and unpredictable series of events. Gerald Seymour brings to *The Collaborator* the same irresistibly compelling storytelling that made his previous books, among them the bestselling *Harry's Game* and *The Walking Dead*, stunningly gripping and nuanced thrillers. Seymour has created a heart-stopping plot immersed in the Camorra's violent underbelly of crime and double-dealing that extends far beyond Italy's shores.

A novel full of grand passion and intensity, *The Soldier's Wife* asks "What would you do for your family?", "What should you do for a stranger?", and "What would you do for love?" As World War II draws closer and closer to Guernsey, Vivienne de la Mare knows that there will be sacrifices to be made. Not just for herself, but for her two young daughters and for her mother-in-law, for whom she cares while her husband is away fighting. What she does not expect is that she will fall in love with one of the enigmatic German soldiers who take up residence in the house next door to her home. As their relationship intensifies, so do the pressures on Vivienne. Food and resources grow scant, and the restrictions placed upon the residents of the island grow with each passing week. Though Vivienne knows the perils of her love affair with Gunther, she believes that she can keep their relationship--and her family--safe. But when she becomes aware of the full brutality of the Occupation, she must decide if she is willing to risk her personal happiness for the life of a stranger. Includes a reading group guide for book clubs.

There's a sudden scatter of birds in the sky. I flinch. Little things seem violent to me. And in that moment my decision is made. 1940, Guernsey. Vivienne de la Mare waits nervously for the bombs to come. Instead comes occupation. Nothing is safe anymore. But was anything truly safe before? The façade of the perfect wife, with her husband fighting on the frontline, cracks under the strain of the lie. Her new life is one where the enemy lives next door. Small acts of kindness from one Nazi soldier feels like a betrayal. A forbidden friendship in a frightening world. But how can you hate your enemy when you know his name, when he makes you feel alive, when everything else is dying around you? Vivienne is fighting her own private war. On one side, the safe, secret, loving world she could build with her captain; on the other, virtuous loneliness and danger. It's time for Vivienne to choose: collaboration or resistance

Digging into newly declassified archives, Dan Porat unearths the story of Jews prosecuted by the State of Israel for Nazi collaboration. Over time courts and the public came to see Jewish ghetto administrators or kapos as tragic figures. Rigorous yet humane, Porat invites us to rethink ideas about victimhood, justice, and collective memory.
