Fed up with her wild behavior, sixteen-year-old Lex's parents ship her off to upstate New York to live with her Uncle Mort for the summer, hoping that a few months of dirty farm work will whip her back into shape. But Uncle Mort's true occupation is much dirtier than shoveling manure. He's a Grim Reaper. And he's going to teach Lex the family business. She quickly assimilates into the peculiar world of Croak, a town populated by reapers who deliver souls from this life to the next. But Lex can't stop her desire for justice—or is it vengeance?—whenever she encounters a murder victim, craving to stop the attackers before they can strike again. Will she ditch Croak and go rogue with her reaper skills?

Timing is everything. Presley Hale and Sebastian Vargas are no strangers to goodbye. Their high school summers were spent wrapped up in each other until she would inevitably go home to California. One season after college, Sebastian finally escaped the little Texas town to travel the world, and they said goodbye for what they thought might be the last time. Sebastian went one way. Presley went the other. For the first time in five years, they're both in town, but the timing is no better than ever. So the only thing to do is what they do best. Keep it casual. Friends with benefits. They've done it before—doing it again will be easy. But their hearts don't get the memo. When the lines of their arrangement blur, Presley and Sebastian are faced with decisions they've avoided for years. And that's not even their biggest problem. A small town in danger of failing. A secret that could tear them apart. And two hearts that can't hide anymore. They've shared so many summers, but none compare to what they'll face. Timing is everything. And their time is almost up.

Psst! Want to know a secret? Do you dare open me up? Because inside you'll find the incredible TRUTH about mind-boggling confidential stuff 'they' don't want you to know! And wanna know something else? Now, my New York Times-Bestselling self is an ebook!! Find out where the Bermuda Triangle is, whether alien abductions actually happen, and the truth about crop circles. Explore lost worlds, unravel secret codes, marvel at mysterious places and meet spooks, spies, secret keepers and scandal makers of the world. When you've finished riddle solving, close me up in my funky cage so no one else can get at my secrets! But ssh! Don't tell a soul.

The page-turning, never-before-told story of Kim Campbell's roller-coaster thirty-four-year marriage to music legend Glen Campbell, including how Kim helped Glen finally conquer his addictions only to face their greatest challenge when he was diagnosed with Alzheimer's disease. Kim Campbell was a fresh-faced twenty-two-year-old dancer at Radio City Music Hall when a friend introduced her to Glen Campbell, the chart-topping, Grammy-winning, Oscar-nominated entertainer. The two performers from small Southern towns quickly fell in love, a bond that produced a thirty-four-year marriage and three children. In *Gentle on My Mind*, Kim tells the complete, no-holds-barred story of their relationship, recounting the highest of highs—award shows, acclaimed performances, the birth of their children, encounters with Mick Fleetwood, Waylon Jennings, Alan Jackson, Alice Cooper, Jane Seymour, and others—and the lowest of lows, including battles with alcohol and drug addiction and, finally, Glen's diagnosis, decline, and death from Alzheimer's. With extraordinary candor, astonishing bravery, and a lively sense of humor, Kim reveals the whole truth of life with an entertainment giant and of caring for and loving him amid the extraordinary challenge of Alzheimer's disease. This is a remarkable account of enduring love, quiet strength, and never-faltering faith.

Popular British YouTube star Marcus Butler “speaks with both honesty and sincerity” (Booklist) in this irreverent memoir and big-brotherly advice book on how to be an almost-adult. For a twenty-three-year-old, Marcus Butler knows a lot about life—and not just from his own experiences, but from the millions of followers on YouTube who chat with him on his irreverent channel, known for its mix of hilarious sketches, light-hearted banter, and deeply empathetic take on serious issues. In this funny, colorful handbook, the warm and totally down-to-earth star shares his trademark big-brotherly advice for navigating the trickier aspects of modern living. Inside you'll find Marcus's thoughts on: -Being healthy—including his nutritious eating tips, favorite gym-free exercises, and butt-kicking hacks for getting in shape -Dating—from finding the courage to be yourself, to banishing first-date nerves, to rebooting a broken heart -Surviving life crises—such as his parents' difficult divorce, the pain of watching a close friend spiral into anorexia and self-harm, and his regrets over giving in to bullies and giving up on a sport he loved -Getting the life you want—lessons for staying organized, handling pressure, thinking positively, and breaking world records! Part autobiography, part self-help guide, *Hello Life!* is a candid and playful look inside Marcus Butler's life—the failures, the successes, and the lessons he's learned along the way.

Packed with more than 200 colour illustrations, *Visual Research* explores a range of research methods that can be used by graphic designers and visual communicators in the development of clear and purposeful design solutions. The book introduces key terms and theories that underlie design research; examining the importance of visual grammar and design literacy, audience, communication theory and semiotics. Each chapter features case studies that demonstrate how the use of research methods can form the basis of effective visual communication and design problem solving, eschewing end product analysis for a discussion of the way research feeds into the design process. The third edition features new case studies in each chapter, updated design exercises and a new chapter on design-led tools and information design methods, in relation to both print and on-screen design.

A much-needed introduction to a modern master of film

A unique, moving and dazzlingly researched exploration of the places, people, musicians, writers and filmmakers that inspired David Jones to become David Bowie, what we can learn from his life's work and journey, and why he will always matter.
