The humanities are alive. We see the great pyramids in contemporary design, we hear Bach in hip-hop and pop music, and we feel ancient religious themes and philoso- phies in our

impassioned contemporary dialogues. Experience Humanities invites students to take note of the continual evolution of ideas and cross-cultural influences to better understand the cultural heritage of the West, and to think critically about what their legacy will be for future generations. Together with Connect® Humanities, a groundbreaking digital learning solution, students not only experience their cultural heritage, but develop crucial critical reading, thinking, and writing skills that will prepare them to succeed in their humanities course and beyond.

This chronologically organized introduction to the Western humanities (art, music, history, literature, and drama) establishes the historical context of each era before the arts are discussed. Hundreds of illustrations appear throughout the text, "Personal Perspectives" boxes bring to life the events of the day, and brief sections at the end of each chapter describe the cultural legacy of the era discussed. Volume II of The Western Humanities covers the period from the Renaissance through the present.

CULTURE AND VALUES: A SURVEY OF THE WESTERN HUMANITIES takes you on a fascinating tour of some of the world's most significant examples of art, music, philosophy, and literature, from the beginnings of civilization to today. New features in the eighth edition are designed to make it easy for you to understand the influence of historical events and values on the works produced by each culture--guided discussions of all of the readings, chapter previews, timelines, Compare and Contrast sections, Big Picture reviews at the end of each chapter, and high-quality images with clear captions. Volume 1 covers early civilizations through the High Renaissance. Completely revised in response to the new format of the ABPN certifying exam, Kaufman's Clinical Neurology for Psychiatrists is the ideal reference to enhance your mastery of the neurology knowledge needed for the Psychiatry Board exam. Nearly 2000 multiple-choice practice questions, in print and online, assess your familiarity with the latest topics in the field! Consult this title on your favorite e-reader, conduct rapid searches, and adjust font sizes for optimal readability. Compatible with Kindle®, nook®, and other popular devices. Enhance your mastery of the material with the help of abundant line drawings, CTs, MRIs, and EEGs that demonstrate key clinical findings to facilitate diagnosis. Fully understand each condition's relevant history, neurologic and psychiatric features, easily performed office and bedside examinations, appropriate tests, differential diagnosis, and management options. Access comprehensive discussions of Alzheimer and commonly occurring non-Alzheimer dementias (such as Lewy bodies disease and frontotemporal dementia) and traumatic brain injury, and new imaging techniques. Find the answers you need on the hottest topics in neurology, including involuntary movement disorders; single gene mutations with neuropsychiatric manifestations; psychiatric comorbidity of neurologic illnesses and treatments; deep brain stimulation and other new treatments; and the neurologic effects of illicit drug use. See numerous neurologic conditions, which you have probably just read about, in life-like drawings of patients. Test your knowledge with over 1,900 multiple-choice review questions, including interactive questions online at www.expertconsult.com.

CIAO! continues to set the standard for interactive, flexible introductory Italian instruction with its state-of-the-art online technology package. Not only is this course entirely portable to accommodate the demands of a busy life, it features exciting new capabilities that allow students to share links, photos, and videos and to comment on those posted by their fellow classmates. The eighth edition is distinguished by several new resources and updates that promote the acquisition of Italian language and culture in accordance with the National Standards for Foreign Language Education. Communicative goals are established at the start of each chapter to provide students with clearly defined objectives as they work through the content, while skill-building strategies and interactive activities help them achieve those goals. The all-new Regioni d'Italia section establishes a thematic thread that is maintained throughout the chapter and provides plenty of opportunities to make cross-cultural comparisons even within the regions of Italy itself. CIAO!'S fully-updated

authentic readings, cultural snapshots, videos, and activities engage students in deeper exploration of the vibrant life of modern-day Italy and the country's rich cultural heritage. Each chapter ends with a thorough Ripasso to ensure student success. Now more than ever, CIAO! provides an all-in-one grammar and vocabulary program that allows students to communicate in Italian with confidence and gives them a unique cultural perspective on an ever-changing Italy.
