A Glossary of English
Grammar presents a wide
range of terms used to
describe the way the English
language is structured.
Grammatical terms can be a
problem for students,
especially when there are
alternative names for the
same thing (for example,
'past tense' and
'preterite'). This book

Access Free Geoffrey Leech English Grammar

For Today provides a basic and accessible guide, focusing on the English language. Definitions of grammatical terms are given in simple language, with clear examples, many from authentic texts and spoken sources, showing how they are used. The terms used in the Comprehensive Grammar of the English Language are widely seen as standard, and form the basis of grammatical terminology in this book. At the same time, this glossary does not neglect other variants of English grammar, such as that of Huddleston and Pullum's influential Cambridge Grammar of the

For Today sake, but also for the pleasure of exploring, appreciating and understanding the way language communicates in written text and spoken discourse. Throughout, the emphasis is on using grammar in present-day English. After an introduction placing grammar in its educational and cultural context, the authors present a 'toolkit' for analysing sentences. The second part of the book demonstrates how to apply this toolkit to spoken and written language, using a wide range of real textual materials. Each chapter ends with a set of carefully-designed exercises

For Today computer-readable text, this book shows how the English language has been changing in the recent past, and discusses the linguistic and social factors that are contributing to this process.

This is the fully revised and expanded second edition of *English - One Tongue, Many Voices*, a book by three internationally distinguished English language scholars who tell the fascinating, improbable saga of English in time and space. Chapters trace the history of the language from its obscure beginnings over 1500 years ago as a

Access Free Geoffrey Leech English Grammar

For Today collection of dialects spoken by marauding, illiterate tribes. They show how the geographical spread of the language in its increasing diversity has made English into an international language of unprecedented range and variety. The authors examine the present state of English as a global language and the problems, pressures and uncertainties of its future, online and offline. They argue that, in spite of the amazing variety and plurality of English, it remains a single language.

Every language has its peculiar problems of meaning

Access Free Geoffrey Leech English Grammar

For the foreign learner. In the English language, some of the biggest yet most fascinating problems are concentrated in the area of the finite verb phrase: in particular, tense, aspect, mood and modality. Meaning and the English Verb describes these fields in detail for teachers and advanced students of English as a foreign or second language. This new third edition uses up-to-date examples to show differences and similarities between American and British english, reflecting a great deal of recent research in this area. It also takes account of the subtle
