<p>Skills-focused resources to support the study of Cambridge IGCSE® and O Level Global Perspectives, for first examination in 2018. Feel confident exploring key global issues from multiple perspectives with Cambridge IGCSE® and O Level Global Perspectives, a brand new coursebook from Cambridge University Press to support study of the Cambridge IGCSE® and O Level Global Perspectives syllabuses, for first examination in 2018. Taking a completely skills-based approach, and written by a Global Perspectives specialist, the coursebook is structured around the key skills students must demonstrate, with references to relevant syllabus set topics. Each chapter contains multiple activities to encourage active engagement, assessment practice opportunities and differentiation support so that teachers can focus on the particular needs of their class.</p>
<p>Firmly focused on developing core skills and assessment capabilities, this revised edition comprehensively matches the latest syllabus and saves you time in course preparation. The second edition has been restructured to focus even more on skills development with a particular emphasis on progressing those tricky - and essential - synthesis and evaluation skills, as well as research and reflection. Clearly differentiated for students at different ability levels, with clear language and instruction for EAL learners. This new edition of Global Perspectives will be available as a print book, an online book, or a print and online package, so you can choose the format that is right for you.</p>
<p>This edition of our successful series to support the Cambridge IGCSE Biology syllabus (0610) is fully updated for the revised syllabus for first examination from 2016. Written by an experienced teacher and examiner, Cambridge IGCSE Biology Coursebook with CD-ROM gives comprehensive and accessible coverage of the syllabus content. Suggestions for practical activities are included, designed to help develop the required experimental skills, with full guidance included on the CD-ROM. Study tips throughout the text, exam-style questions at the end of each chapter and a host of revision and practice material on the CD-ROM are designed to help students prepare for their examinations. Answers to the exam-style questions in the Coursebook are provided on the CD-ROM.</p>
<p>The Cambridge IGCSE® Combined and Co-ordinated Sciences series is tailored to the 0653 and 0654 syllabuses for first examination in 2019, and all components of the series are endorsed by Cambridge International Examinations. This Biology Workbook is tailored to the Cambridge IGCSE® Combined Science 0653 and Co-ordinated Sciences 0654 syllabuses for first examination in 2019 and is endorsed for learner support by Cambridge International Examinations. Covering both the Core and the Supplement material, this workbook contains exercises arranged in the same order as the coursebook and are clearly marked according to the syllabus they cover. Developing students' scientific skills, these exercises are complemented by self-assessment checklists to help them evaluate their work as they go. Answers are provided at the back of the book.</p>
<p>Cambridge IGCSE Development Studies has been specially written for Cambridge IGCSE Development Studies Syllabus (0453). Written in a clear and accessible style, the book offers comprehensive coverage with an international perspective and in-depth analysis of all topics. Designed for class use and independent study, the book equips students with the skills needed to succeed in examination.</p>
<p>Fully updated and matched to the Cambridge syllabus, this stretching Student Book is trusted by teachers around the world to support advanced understanding and achievement at IGCSE. The popular, stretching approach will help students to reach their full potential. Written by an experienced author, Ron Pickering, this updated edition is full of engaging content with up-to-date examples to cover all aspects of the Cambridge syllabus. The step-by-step approach will lead students through the course in a logical learning order building knowledge and practical skills with regular questions and practical activities. Extension material will stretch the highest ability students and prepare them to take the next step in their learning. Practice exam questions will consolidate student understanding and prepare them for exam success. Each book is accompanied by online access to a wealth of extra support for students including practice exam questions, revision checklists and advice on how to prepare for an exam.</p>
<p>A subject-specific guide for international secondary teachers to supplement learning and provide resources for lesson planning. Approaches to learning and teaching Global Perspectives is the result of close collaboration between Cambridge University Press and Cambridge International Examinations. Considering the local and global contexts when planning and teaching an international syllabus, the title presents ideas for Global Perspectives with practical examples that help put theory into context. Teachers can download online tools for lesson planning from our website. This book is ideal support for those studying professional development qualifications or international PGCEs.</p>
<p>Cambridge Global English Stages 7-9 follow the Cambridge Secondary 1 English as a Second Language (ESL) Curriculum Framework. Coursebook 9 includes eighteen thematic units based on the Cambridge International Examinations Scheme of Work for Stage 9. Our Stage 9 Coursebook lays the foundation for learners who may go on to the Cambridge IGCSE ESL qualification. The topics and situations in Cambridge Global English reflect international diversity and encourage learning about different ways of life. It presents realistic listening, speaking, reading and writing tasks, and end-of-unit projects similar to those students might encounter in first-language English context. After every other unit, there is a literature spread featuring authentic prose and poetry from a variety of sources. CEFR Level: B1+</p>
<p>This series has been developed for the Cambridge Lower Secondary Global Perspectives Curriculum Framework (1129). This learner's skills book for Stage 7 has been created to help students develop key 21st century skills. Written by experienced teacher and author, Keely Laycock, students are encouraged to reflect on topics at a personal, national and global level, while developing skills for their future in a scaffolded and measurable way. Produced with feedback from teachers and students all around the world, teachers will benefit from a flexible resource that they can tailor to their classroom needs.</p>
