This book provides college students with the information they need to apply successfully to graduate school. Misconceptions about graduate school are revealed and dispelled, including the most common myth – that one must have excellent grades to get in, and that excellent grades are all one needs. Other factors that may play a bigger role than GPA are discussed, and the reader discovers how the process of selecting applicants actually works in most graduate programs.

Advanced degrees are necessary for careers that once required only a college education. Yet little has been written about who gets into grad school and why. Julie Posselt pulls back the curtain on this secret process, revealing how faculty evaluate applicants in top-ranked doctoral programs in the humanities, social sciences, and natural sciences.

A comprehensive guide to graduate school helps prospective students decide whether and where to go, what to study, how to apply, how to pay for it, and how to excel in it, and features advice from admissions officers and experienced students. Original.
