The Law and Social Media Finding someone who does not have a Facebook, Twitter, Google+, LinkedIn, or other social media profile is getting harder to do. Granted, there are still a few stalwart holdouts, but the vast majority of Americans use social media everyday (in fact, you may have come across this article in your social media feed).

Social Media Law - HG.org
Media simply refers to a vehicle or means of message delivery system to carry an ad message to a targeted audience. Media like TV, Radio, Print, Outdoor and Internet are instruments to convey an advertising message to the public. The main task of media planners is to select the most appropriate media channels that can effectively communicate the advertising message to a targeted audience.
