From critically acclaimed author Brian McLaren comes a brilliant retelling of the biblical story and a thrilling reintroduction to Christian faith. This book offers everything you need to explore what a difference an honest, living, growing faith can make in our world today. It also puts tools in your hands to create a life-changing learning community in any home, restaurant, or other welcoming space. The fifty-two (plus a few) weekly readings can each be read aloud in 10 to 12 minutes and offer a simple curriculum of insightful reflections and transformative practices. Organized around the traditional church year, these readings give an overview of the whole Bible and guide an individual or a group of friends through a year of rich study, interactive learning, and personal growth. Perfect for home churches, congregations, classes, or individual study, each reading invites you to cultivate an honest, intelligent understanding of the Bible and of Christian faith in 21st century Engage with discussion questions designed to challenge, stimulate, and encourage Reimagine what it means to live joyfully and responsibly in today's world as agents of God's justice, creativity, and peace If you're seeking a fresh way to experience and practice your faith, if you're a long-term Christian seeking new vitality, or if you feel out of place in traditional church circles, this book will inspire and activate you in your spiritual journey.

When four religious leaders walk across the road, it's not the beginning of a joke. It's the start of one of the most important conversations in today's world. Can you be a committed Christian without having to condemn or convert people of other faiths? Is it possible to affirm other religious traditions without watering down your own? In his most important book yet, widely acclaimed author and speaker Brian McLaren proposes a new faith alternative, one built on "benevolence and solidarity rather than rivalry and hostility." This way of being Christian is strong but doesn't strong-arm anyone, going beyond mere tolerance to vigorous hospitality toward, interest in, and collaboration with the other. Blending history, narrative, and brilliant insight, McLaren shows readers step-by-step how to reclaim this strong-benevolent faith, challenging us to stop creating barriers in the name of God and learn how affirming other religions can strengthen our commitment to our own. And in doing so, he invites Christians to become more Christ-like than ever before.

Moses is pictured as idealist reformer, and political manipulator as his rise to power and eventual domination of New York State politics is documented

"Oh Maker, all good, some horror has risen from my feet. It's the same one who I'd struck off from his zenith. It's this prior Lucifer who now in a strong attempt around my legs dares to coil. And what else he does is awful: he has learned his new darkness well and weaves it to make his form misshape: he lengthens out with scaly tail and seems to be leviathan. That's not all, more horror here: he has seized a throng of angels, those who had stood nearby his snatching tail. These have been translated evil and now are eager of this same one's zeal."

Do you sometimes feel that you are wandering in a wilderness of grief, confusion, and faltering faith? If so, you are not alone. Like the lost children of Israel, many have searched for a way through a personal wilderness. But just as those same Israelites followed God's leading to the Promised Land, you too can find the promised new life in the Spirit. Jamie Buckingham made such a journey – not only figuratively but literally. During a time of intense personal struggle, he traveled to the Sinai. There he found restoration and, in the solitude of a wilderness night, he learned ancient Bible truths that would alter his life forever. Of all the locations Jamie visited during his many trips to Israel, he loved the Sinai desert the most. In this book he shares with you the simple, healing secrets that God first revealed to Moses at the dawn of faith.www.JamieBuckinghamMinistries.com
