The structure is very logical and every part - from the subject line, salutation (greeting), and opening line, through the main body of an email, right down to the closing line, sign-off, and signature - has its unique purpose you should know, understand, and be comfortable with. This structure is followed by all emails.

Business Email Guide: Opening & Closing Lines + Email ...

With the Dutch, a combination of formal and blunt - very formal opening/closing (think of handwritten letters from the 1930s), but with very blunt discussion in the middle - I need x, y, z by day A, here is reply B, etc... it worked. So to me, correspondence needs to be tailored to your audience.

do I really have to use formal openings and closings in ...

The other possibility with very formal American emails is to use the most common closing greeting in standard business emails, "Best regards". "Best regards" is also very common in British emails, but can't be used in very formal situations such as legal-sounding complaints and job applications, where "Yours sincerely" and "Yours faithfully" are the only ones which are formal ...

Differences between British and American emails ...

After all, there are so many different opening and closing greetings to choose from, and one that is completely appropriate in one setting may be inappropriate or even offensive in another. This is because some greetings are considered to be formal, or professional, while others are much more informal, or casual.
