This covers everything the student needs for the S/NVQ core and options unit and the only book they need for the make-up pathway of S/NVQ Level 3 Beauty Therapy. It demonstrates step-by-step procedures and contains mapping showing how the book relates to VTCT, ITEC and BTEC.

What is the difference between an academic and professional qualification? Who should get a professional qualification? Did you know that some professions can not be legally practised with a degree alone? Why get a UK qualification? Is it expensive to gain a British qualification? What is a chartered institute or society, and is it better than a non-chartered body? What is the difference between a professional body and a trade union? These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation. In today's world it isn't enough to have a qualification, you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession. Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead, entry requirements, where to apply and where to study. Derived from the vast and authoritative British Qualifications database, this important publication provides the first easily accessible guide to qualifications and how to get them in the UK. Built around a comprehensive directory of professional qualifying bodies each professional area is described in depth and its qualifications identified and explained. The book is supported by a simple website, which ensures purchasers of the book are kept up-to-speed with new developments.

Provides information and advice on professional make-up techniques for use in film, television, fashion, and the theater.

This candidate workbook offers hands-on practical methods to support the VTCT certificate in baby massage.

As the importance of vocational qualifications has become firmly established, the system has become increasingly complex and hard to grasp. Now in its seventh edition, this popular and accessible reference book provides a simple guide for anyone needing information on vocational education. Fully revised and expanded to take into account recent changes in legislation, it provides up-to-date information on over 3500 vocational qualification in the UK, and is an indispensable reference source for careers advisers, human resource managers, employees, teachers and students alike. Divided into five parts, the first clarifies the role of the accrediting and major awarding bodies and explains the main types of vocational qualifications available, including the new Vocational GCEs, A Levees and Key

Skills. Part Two is a directory listing over 3500 vocational qualifications, classified by professional and career area, giving details of type of qualification, title, level, awarding body and, where possible, the course, code and content. Part Three comprises a glossary of acronyms used, together with a comprehensive list of awarding bodies, industry lead bodies, professional institutes and associations, with their contact details. Part Four is a directory of colleges offering vocational qualifications in the UK, arranged alphabetically by area. Finally, section five is an index of all qualifications, listed alphabetically by title.

From accountant to zoologist, this new edition of The A-Z of Careers & Jobs offers detailed insights into more than 300 career areas in the UK. For those looking for their first job after school or university, or for anyone considering a change of career, this book provides reliable and up-to-date careers advice on a wide range of professions, covering practical issues such as job opportunities and progression potential, personal skills and qualities, entry qualifications and training, useful contact details and realistic salary expectations. The A-Z of Careers and Jobs is also a valuable reference for careers advisors working in schools, colleges and universities who need to keep track of new developments - new roles and routes of entry, professional associations and exams - to offer the very best guidance to today's jobhunters.

assessment questions, a revised glossary and four new chapters, with contributions from bestselling author of The Complete Nail Technician Marian Newman. This authoritative guide will encourage and inspire trainee beauty therapists towards a rewarding career. For a complete blended learning solution, this textbook can be used alongside U2Learn student learning website and e-Teach Beauty Therapy, providing a whole host of teaching and learning resources for the qualification.

If you are teaching or training to teach vocational learners across the further education and skills sector or in the workplace, this is your essential guide. Teaching and Training Vocational Learners is a focused text written to support those who are working with vocational learners, taking into account the specific needs of this group. It provides practical advice and guidance to help you to shape your approach to teaching, learning and assessment. It has comprehensive coverage of the learning you need to prepare you to teach. Throughout, the authors offer a range of exciting and practical examples to help you to expand your 'vocational teaching toolkit'. Included are lesson plans, assessment grids, assignment briefs, ideas to engage employers, help on marking vocational evidence, planning trips and visits and much more.

Including step-by-step instructions and lots of activities to help students build their portfolio, this introduction to beauty therapy continually tests knowledge and understanding so that candidates can develop the skills they need to achieve success at S/NVQ level 2.
