A wonderfully big Picture Atlas for children to learn the basis of world geography. Lots of busy maps with fun illustrations to learn about the food and culture of other countries as well as capital cities. Putting pictures onto facts helps with memory and this big, satisfying book will help children memorize geography facts with ease.

Take an exciting journey around the world and explore every country on Earth. Beautifully illustrated by award-winning Anthony Lewis, the colourful maps, plus lively and informative text make this an essential atlas for younger readers. Jet off to South America and discover the Amazon rainforest, journey to Scandinavia and visit a mermaid, then wrap up warm as you head south to Antarctica - the coldest place on Earth. Pictograms show where to find animals and places of interest: can you find the sunbathing walrus in Alaska? And the Tasmanian devil in Australia? The passport bookmark means you won't lose your place as you travel the globe. This atlas is the perfect first geography reference book for both home and school.

A new small-format edition of this stunning atlas for young children, beautifully illustrated in Linda Edwards' unique and utterly charming style. Every page is packed full of images and contains masses of exciting and fascinating facts that will fire the imaginations of children everywhere. Countries around the world are brought to life, with landscapes, unique features and geographical landmarks vividly described and illustrated. This comprehensive atlas contains an extensive glossary and index of places, plus a 'Trip Around the World' quiz.

The atlas opens with the continents, then presents a world view of countries before exploring deeper into each country and the exciting places to visit within each.

This is a book of maps showing different parts of the world and it presents facts about people, animals, plants, and places.

This Is Australia Picture Atlas is a bright and beautiful celebration of the country, with more than 70 flaps to lift! Explore every state and territory of Australia. Discover the unique wildlife and animals that call Australia home, and uncover some fantastic facts about Australian people and their past. Written by sparkly Australian author Samone Amba, and illustrated by Brisbane illustrator and surface designer Kasey Rainbow (yes, that's a real name!), this book dazzles with all the things that make Australia amazing! With more than 70 flaps to explore.

Features a world map as well as maps of each of the continents with liftable flaps that reveal various facts and trivia. On board pages.

This atlas helps young people explore the world and the animals which inhabit it. It includes simple maps of all the countries of the world, with illustrations of the species which live there and details about their habitats.

An interactive journey around the world, on which children can place stickers of landmarks, animals and people in the right places, learning more about the world as they go. Fresh, modern illustrations make this a lively and inviting first atlas.
