Leon de Lamothe-Langon tells the story of the first, implacable, female vampire. What makes Alinska stand out in the ranks of female vampires is that she is not a predator, but the instrument of a higher power, working for God as the tool of Divine Wrath.

Normal people have nightmares and wake up from them to go about their daily routine, but not Claire Marlow. Her life had been a living hell until that one summer she had spent with her grandparents in New Orleans. That's when she met three of the most handsome men she'd ever seen who not only took her breath away, but made her wolf do a jig inside her. For that one week, running in the sand

with the moonlight upon them, Claire had found her escape from the nightmares, or so she thought. Bryce Marlow was an alpha and always knew he'd be the dominant one in his family unit. Claiming Ivan and Felix had been challenging to say the least, but when the three of them had seen Claire on the beach that night they all knew they were looking at their heart and soul. However, one look into those haunting eyes and the three of them realized that whatever time it took, they would erase those nightmares to replace them with hope and their love.

classmate, Chitose. Chitose is a pure-blooded vampire. Those feelings soon turn to action as the vampire makes it perfectly clear he sees right through Yayoi. Chitose insists that all they're doing is feeding, but the slow, gentle touch of his tongue, the care with which his fangs pierce Yayoi's skin and the warmth of his embrace suggest otherwise...

Kensley Sparks
fantasy feasts upon vampire lore, reinventing the manner in which real-life monsters were transformed into pop culture icons by two of Ireland's great writers. Dubliners Sheridan Le Fanu and Bram Stoker travel to Transylvania where they race to save the women they love from the Countess Elizabeth Bathory. After the blood bath, Le Fanu and Stoker pose as doctors John Seward and Abraham Van Helsing to confront Vlad the Impaler and Count Dracula himself. Together for the first time, this immortal cast offers a highly erotic exploration of the vampire's eternal allure.

LOVE The way she writes her characters makes it seem as though you are in each of their heads along with them. The sex scenes were incredibly hot and very explicit. The Spenser males have a very healthy sex drive with their mates. The ceremony with the seconds was incredibly hot. You had not one but three men paying extra special attention to Tabitha, with each male taking turns to worship her with their cocks, mouths and hands. The males spanked, tasted, pinched, licked, kissed, sucked, and rubbed her all over. The scenes with Almonzo and Tabitha were beautifully written and you could tell how deeply Almonzo felt for her.
